

# Job Opening: Video Editor (Experienced)

 **Location:** Sector-62, Noida (Near Aakash Invictus)

 **Employment Type:** Full-Time

 **Salary:** As per market standards (based on skills, creativity & communication)

---

## About Us

At **BINARAMA Pvt. Ltd.**, creativity meets technology.

We are a fast-growing and innovation-driven company focused on delivering impactful digital solutions across the IT and Education sectors. Along with our sister company, **Radical Education**, we are building powerful digital brands, engaging campaigns, and high-quality content that connects with audiences nationwide.

From educational storytelling to tech-driven marketing campaigns, we believe in creating content that not only looks great—but creates impact.

If you are passionate about video editing, motion graphics, storytelling, and creating visually engaging content, we would love to have you on our creative team.

---

## Position: Video Editor (2–3 Years Experience)

We are looking for a talented and creative **Video Editor** who can transform ideas into compelling visual stories. The ideal candidate should have hands-on experience in editing videos for social media, marketing campaigns, YouTube, advertisements, and promotional content.

This role is perfect for someone who understands trends, creativity, pacing, transitions, and audience engagement.

---

## Key Responsibilities

- Edit and produce high-quality videos for:
    - Social Media Platforms
    - YouTube Content
    - Promotional Ads
    - Educational Content
    - Branding & Marketing Campaigns
  - Add transitions, motion graphics, subtitles, effects, sound design, and animations.
  - Collaborate with the marketing and creative team to develop engaging content ideas.
  - Create short-form and long-form video content optimized for different platforms.
  - Ensure all projects are delivered within deadlines while maintaining quality standards.
  - Stay updated with the latest editing trends, reels formats, and video styles.
  - Handle color correction, audio syncing, and basic visual enhancements.
- 

## Required Skills & Qualifications

- **2–3 years of professional experience** as a Video Editor.
  - Strong knowledge of:
    - Adobe Premiere Pro
    - After Effects
    - Photoshop
    - Canva / CapCut (optional but preferred)
  - Understanding of social media trends and audience engagement.
  - Creative mindset with strong storytelling abilities.
  - Good sense of timing, visuals, music, and cinematic flow.
  - Ability to work independently and in a team environment.
  - Strong communication and coordination skills.
- 

## Mandatory Requirement

- ✓ Candidate must have their own Laptop.
- 

## Why Join BINARAMA?

- Opportunity to work on exciting and impactful projects.
- Creative and growth-oriented work environment.

- Exposure to both IT & Education industries.
  - Young, energetic, and collaborative team culture.
  - A workplace where your creativity truly matters.
- 

## Working Details

- **Working Days:** 6 Days a Week
  - **Office Timing:** 9:30 AM – 6:30 PM
-
